

OKSIR is Hiring!

Facility Production Dispenser

Status/Term: Full-time/Seasonal, immediately – September 2024

Wage: \$20/hour

Shifts Offered: 8 hour shifts (M-F) initially, changing to 10 hour shifts (M-T) as season progresses

Location: Osoyoos, BC

What we offer: \$500 season completion bonus, paid lunch breaks, consistent schedules, positive team environment, and interesting work!

About Us:

We are an environmentally friendly sterile insect release program for one of the biggest pests of apple and pear trees-the codling moth. Our Program breeds and sterilizes codling moths at our state-of-the-art facility in Osoyoos, and we release them into orchards where they mate with wild moths and prevent the population from reproducing. Our seasonal positions are perfect for people who want the flexibility to make some money while enjoying the region's summer offerings before they start winter work, go back to school, or head south for warmer climates.

The Position:

We are currently seeking hardworking, motivated individuals to join the team at our facility in Osoyoos BC. As a Facility Production Dispenser, you will play an important part in producing a few million high quality moths that will make a big difference this summer for our farmers, our local apple crops, and our environment. You also have a keen eye for detail and are non-entomophobic (not afraid of moths).

Basic Duties:

- Prepare and dispense diet
- Cleaning and sanitizing production line equipment
- Facility cleaning and related duties

For more information on this position or our program, please check our website: www.oksir.org or call 1-800-363-6684.

Job Requirements:

- Consistent attendance is essential
- Willing to work varied shifts
- Able to work independently and as part of a team
- Adhere to policies and procedures
- Non-entomophobic (not afraid of moths)
- Must be able to stand for extended periods of time, complete repetitive tasks and duties that involve pulling, pushing, crouching, bending, lifting, and stacking

Position Conditions:

- Potential exposure to diluted bleach solutions, airborne allergens (including moth scales)
- Work during statutory holidays may be required.

If you live in the Osoyoos area and are looking to work with a great team and make a positive difference in the environment this summer, then we want to hear from you!

To apply, please submit a resume along with two references to jobs@oksir.org.
